Morning Meeting Message Scavenger Hunt

We learned so much together this year! Hunt through our old messages to see if you can find the following examples of our learning.

☐ Three science facts we learned
   ________________________________________________________________________________
   ________________________________________________________________________________
   ________________________________________________________________________________

☐ Two ways we grew as writers
   ________________________________________________________________________________
   ________________________________________________________________________________

☐ A day we reflected on being friends (record the date)
   ________________________________________________________________________________

☐ Three days when we moved on to harder math.
   ________________________________________________________________________________
   ________________________________________________________________________________
   ________________________________________________________________________________

☐ The days we made birthday cards for the bus drivers
   Write the dates here: ____________________________

☐ Four days when we read to our first grade buddies
