

Elementary Core Course Package for International Schools

Bring social-emotional learning practices into your classroom with our Elementary Core Course Package!

Responsive Classroom is a student-centered, social and emotional learning approach to teaching and discipline. It is comprised of a set of research- and evidence-based practices designed to create safe, joyful, and engaging classroom and school communities for both students and teachers.

Course Details:

Learn to create safe and joyful learning communities where every student can thrive—while helping your students develop strong social and academic skills. In four engaging and interactive days, you'll discover how to:

- Begin and end the day positively with Morning Meeting and closing circle
- Integrate energizers and interactive learning structures throughout the school day
- Teach students how to complete academic tasks, interact with classmates, and maintain routines with Interactive Modeling
- Establish rules with your students and provide positive structures to support success
- And so much more

Resources:

Entry plan (electronic); one [Responsive Classroom Elementary Essential Bundle](#); 30 copies each of Elementary Core Course Resource Book, *First Six Weeks of School*, and *Yardsticks*; and a Consultant Observation and Feedback Visit (including access to the Kaleidoscope tool and one Quick Coaching Guide set of 30)

No prerequisite. Suitable for grades K–6.

This workshop will change your teaching, whether you're a teaching assistant, first year teacher, specialist, or a veteran teacher."

—Meg Whitehurst, Teacher
