

Middle School Course Package

Bring social-emotional learning practices into your classroom with our Middle School Course Package!

Responsive Classroom is a student-centered, social and emotional learning approach to teaching and discipline. It is comprised of a set of research- and evidence-based practices designed to create safe, joyful, and engaging classroom and school communities for both students and teachers.

Course Details:

In this interactive and engaging four-day course, you'll learn how to design and implement a middle school experience that's responsive to the developmental strengths and needs of young adolescents—while helping your students develop the academic and social skills they need to be successful.

Topics include:

- Creating a safe, positive, and inclusive community with the *Responsive Classroom* approach to discipline
- Holding Responsive Advisory Meetings—a core practice for middle school
- Using teacher language to encourage student engagement and help them become more responsible and respectful
- Applying new strategies for effective classroom management
- And so much more

Resources:

Entry plan (electronic); one [Responsive Classroom Middle School Essential Bundle](#); 30 copies each of Middle School Course Resource Book, *Building an Academic Community*, and *Yardsticks*; and a Consultant Observation and Feedback Visit (including access to the Kaleidoscope tool and one Quick Coaching Guide set of 30)

No prerequisite. Suitable for grades 5–8.

Fun, informative, and enlightening. I had more than a few 'lightbulb moments', and I feel my teaching practice will greatly benefit from this experience."

—Bill Costanza, Teacher

BENEFITS:

- Associated with higher academic achievement
- Reduction in problem behaviors
- Improvement in students' social skills
- More effective teaching through use of practical and proven strategies
