

Middle School Advanced Course

Continue to learn and reflect on strategies and practices that further connect you with your students

The Middle School Advanced Course is designed to build on the teaching strategies and practices you learned in the *Responsive Classroom* Middle School Core Course and currently use in your classroom. In addition to expanding and strengthening your current knowledge of middle school *Responsive Classroom* practices, you will be introduced to new methods and strategies for supporting your students' social, emotional, and academic needs, which you will have the opportunity to unpack and connect to your current approach.

Key Features

- Build upon core *Responsive Classroom* middle school practices, including Responsive Advisory Meetings, SMART goals, and logical consequences
- Discover new strategies for connecting with students and their families
- Learn proactive steps for dealing with difficult issues like toxic stress and cyberbullying
- Develop self-reflective practices using portions of the *Responsive Classroom* Assessment Tool for Middle School Teachers

“

A great way to get insight into not only how you teach but how students learn and process.
