Responsive Classroom Elementary Advanced Course

In this interactive four-day course, you will deepen your knowledge of the Responsive Classroom approach as you refine familiar strategies and practices while learning and expanding upon new ones, allowing you to strengthen your implementation of the approach. Using the resources The Joyful Classroom and Teaching Self-Discipline, the advanced course enables you to consider your own unique context and setting and more effectively apply the approach with individual students, the class, and the school community. You will also have the opportunity to:

- Use rubrics from the Responsive Classroom Assessment Tool for Elementary Teachers to assess your current practices and focus your learning for the week
- Plan new practices for implementation such as class meetings and problem-solving conferences
- Refine and plan Interactive Modeling and role-play for nonclassroom spaces like hallways, cafeteria, bathrooms, etc.
- Learn and review language of learning lessons to target academic competencies
- Create and compile plans of Responsive Classroom practices into a portfolio for future implementation

Kaleidoscope Annual Subscription + Consultant Observation and Feedback Visit

In order to extend our foundational four-day course into actionable, ongoing professional development for teacher and school improvement, you will have access to Kaleidoscope. Kaleidoscope is a suite of observation and feedback tools that analyze the results of observations to create a school growth profile and provide customized resources and solutions. In addition, a Responsive Classroom consultant will visit your school to conduct one set of inventories for classroom and non-classroom spaces.
