

Comprehensive Two-Year Package Elementary, Phase One

Responsive Classroom Elementary Core Course

In four engaging and interactive days, you will learn to create safe and joyful learning communities where every student can thrive—while helping your students develop strong social, emotional, and academic skills. You will also have the opportunity to:

- Engage in energizers and interactive learning structures that can be used with students
- Reflect on your current teaching context and new content throughout the week
- Experience an Academic Choice lesson using *The New Bird in Town* and *Charlie and the Octopus* that can be adapted for any grade level
- Plan Interactive Modeling, role-play, and Guided Discovery lessons to use with students
- Map out your learning space to include elements of classroom organization
- Create detailed plans for implementation of *Responsive Classroom* practices

Kaleidoscope Annual Subscription + Consultant Observation and Feedback Visit

In order to extend our foundational four-day course into actionable, ongoing professional development for teacher and school improvement, you will have access to Kaleidoscope. Kaleidoscope is a suite of observation and feedback tools that analyze the results of observations to create a school growth profile and provide customized resources and solutions. In addition, a *Responsive Classroom* consultant will visit your school to conduct one set of inventories for classroom and non-classroom spaces.

“

This will change how you teach and how you feel about teaching—in a good way.

”

Comprehensive Two-Year Package Elementary, Phase Two

Responsive Classroom Elementary Advanced Course

In this interactive four-day course, you will deepen your knowledge of the *Responsive Classroom* approach as you refine familiar strategies and practices while learning and expanding upon new ones, allowing you to strengthen your implementation of the approach. Using the resources *The Joyful Classroom* and *Teaching Self-Discipline*, the advanced course enables you to consider your own unique context and setting and more effectively apply the approach with individual students, the class, and the school community. You will also have the opportunity to:

- Use rubrics from the *Responsive Classroom Assessment Tool for Elementary Teachers* to assess your current practices and focus your learning for the week
- Plan new practices for implementation such as class meetings and problem-solving conferences
- Refine and plan Interactive Modeling and role-play for nonclassroom spaces like hallways, cafeteria, bathrooms, etc.
- Learn and review language of learning lessons to target academic competencies
- Create and compile plans of *Responsive Classroom* practices into a portfolio for future implementation
