

## Comprehensive Two-Year Package

# Middle School, Phase One

### Responsive Classroom Middle School Core Course

In this interactive and engaging four-day course, you'll learn how to design and implement a middle school experience that's responsive to the developmental strengths and needs of young adolescents—while helping your students develop the academic and social skills they need to be successful. You will also have the opportunity to:

- Discover how to create a safe, positive, and inclusive community with the *Responsive Classroom* approach to discipline
- Practice and plan for holding Responsive Advisory Meetings—a core practice for middle school
- Develop your teacher language to encourage student engagement and help students become more responsible and respectful
- Learn new strategies for effective classroom management

### Kaleidoscope Annual Subscription + Consultant Observation and Feedback Visit

In order to extend our foundational four-day course into actionable, on-going professional development for teacher and school improvement, you will have access to Kaleidoscope. Kaleidoscope is a suite of observation and feedback tools that analyze the results of observations to create a school growth profile and provide customized resources and solutions. In addition, a *Responsive Classroom* consultant will visit your school to conduct one set of inventories for classroom and nonclassroom spaces.

“
