

Responsive Classroom®

Cultivating School Culture Leadership Seminar

Suitable for K–8 school leaders, SEL coaches, counselors, *Responsive Classroom* leadership team members

Find new ways to create a positive experience for every member of your learning community

While every person impacts the school's culture and climate, school leaders are entrusted with developing, guiding, and sustaining a positive culture. This seminar will examine *Responsive Classroom* principles, strategies, and practices that will strengthen the school culture. Opportunities to engage in reflection and planning conversations with peers and *Responsive Classroom* experts will enhance the skills leaders need to transform classrooms and schools.

Participants will:

- Identify and define key components of a positive school culture
- Examine ways to create the conditions for a positive adult culture
- Explore ways to lay the foundation for a positive student culture
- Review strategies that help include and invest students' families in the school culture

Resources included

- Building and Sustaining a Responsive School Culture for Academic, Social, and Emotional Learning Resource Book
- Getting to Know and Connect With Students Quick Coaching Guide
- Teaching With a Purpose Quick Coaching Guide
- Respectful Interactions Quick Coaching Guide
- Leading With Confidence Quick Coaching Guide
- Dining With Self-Discipline Quick Coaching Guide and Leader Guide
