

# Improving Teacher and Student Language

## One-day workshop

Suitable for educators of grades pre-K–8

Language is one of our most powerful tools for supporting students.

At its core, learning is all about communication. A powerful exchange of ideas requires active listening, purposeful questions, clear reasoning, and respectful disagreements. In this one-day workshop, learn strategies for teaching students the skills to communicate effectively and the teacher language that deepens academic engagement.

## Participants will:

- Learn activities and strategies that help students practice core speaking and listening skills
- Explore and practice effective teacher language that deepens student academic engagement and learning
- Collaborate and problem-solve with peers in breakout sessions
