

Schoolwide Implementation Leadership Seminar

One-day workshop

Suitable for K–8 school leaders, SEL coaches, counselors, and *Responsive Classroom* leadership team members

Weave the *Responsive Classroom* approach into the fabric of the school.

Schoolwide implementation of the *Responsive Classroom* approach requires clear, focused, and positive school leadership. In this seminar, use a scaffolded tool to determine your school's levels of *Responsive Classroom* implementation. Then create a strategic plan to address your school's needs and growth goals. This seminar provides opportunities for reflection and planning with peers and *Responsive Classroom* experts.
