

Special Area Teachers

One-day workshop

Suitable for educators of grades K–6

Apply *Responsive Classroom* strategies to your unique, constantly changing environment.

Special area teachers face the challenge of working with students from various grade levels, in small windows of time, often with an entire week between classes.

In this one-day workshop, explore how you can support students in a dynamic learning environment. Discover how core *Responsive Classroom* practices can be used to create the opportunities—and address the challenges—that are unique to special area settings.
