

Reducing Verbal Conflict in the Classroom

One-day workshop

Suitable for educators of grades PreK–12

Uncover the root causes of verbal conflict and learn practical, ready-to-use strategies that encourage productive dialogue.

This workshop provides you with the tools to support students in developing lifelong communication skills that enhance learning and relationships, both in and beyond the school setting. Discover strategies that teach students to respond appropriately and to disagree respectfully, creating a classroom environment where calm, positive communication can thrive.

Resources included:

- *Reducing Verbal Conflict in the Classroom Resource Book*

“ I can't wait to try these techniques with my students and see how it changes our classroom. ”
—Hallie G., second-grade teacher

“ This workshop showed me how to turn contentious middle school energy into productive, civil conversations. ”
—Stephen H., eighth-grade social studies teacher

Agenda

- Understanding the Developing Brain
- Setting Clear Expectations
- Teaching Students to Use Their Words
- Modeling Calm and Respectful Communication
- Responding to Inappropriate Verbalizations
- Sustaining a Prosocial Community
- Reflection and Next Steps

Participants will:

Understand the cause or common triggers of verbal conflicts.

Identify techniques and strategies that invite productive and positive conversation.

Explore how to create and sustain a community that nurtures prosocial behavior.
